Open House

Thank you to all the parents who were able to attend Open House. If you were not able to attend and have a question, just email us at SBrown@meadhallschool.org or NBurns@meadhallschool.org and we will be respond.

Homework

We encourage parents to read every night to their child as this is a foundation to their beginning reading. We will begin some written homework the first week of September. We are giving our little people time to adjust to being back in school all day.

Bedtime Book box

We are going to make a Bedtime Book box to keep our class made books in. We need you to send in an adult sized shoe box to make into our Bedtime Book box. Thank you!

Pajama Day

On Friday, Sept. 6 your child can wear their pajamas to remind us to read every evening. We are looking forward to a fun learning day on our Pajama Day. Mother Goose will come in and read nursery rhymes with us that Friday morning. We will have a special breakfast snack that morning. And we will be sending home our bedtime book box with a couple of our class books in it. We will also be walking to Trinity on Laurens to share our nursery rhymes!

Girls

Please be sure that our girls wear shorts under their dresses or skirts.

Change of Clothes

It is requested that our kindergarten students have a change of clothes in their bookbags in case of accidents.
